PHOTOGRAPHY INFORMATION AND AGREEMENT

This constitutes an agreement for photographic services. A \$50 deposit is required to retain services. The deposit is non-refundable should you cancel your reservation. Filling out and returning this sheet will reserve your date.

My goal is to offer clients an affordable option for photographing some of life's greatest moments. Whether it's the big wedding day, engagement pictures, a special event, a soccer game or birthday, I'll work with you to make the biggest moments of your life something you'll never forget. I strive for the images that portray the true spirit of the person and true emotion of the moment. This allows me to give you beautiful, lively photos that you will treasure for a lifetime.

Life is beautiful; let me help capture those memories!

I am here to take YOUR portraits. I have the flexibility of taking pictures on or off site. You are always welcome to our studio or I can come to you. I prefer outdoor sessions when possible. Pets, siblings, props and other family memorabilia are always welcome. There are many beautiful places we can choose from if you do not have a set location in mind. Wardrobe changes are allowed and I encourage creativity and fun!
